

You can tell a lot about
a tree by looking at its rings.

The Healing Tree and Memory Rings by Trigard...the Aegean® just got better.

You can also tell a lot about a person by the memories they leave behind. Trigard's Healing Tree incorporates a ceremony that allows each family member to take a memory ring with them as a keepsake, helping families to remember, celebrate and heal during their final good-byes.

 MEMORY RING
(Actual Size/20 per kit)
